

ANNUAL MEETING TO BE VIRTUAL FOR 2021

Because we know that some owners plan a trip to Ocean Sands for the Annual Meeting, we wanted to share this as soon as the information was available.

The Board of Directors has concluded unanimously that the Ocean Sands Property Owners Association annual meeting will be held virtually this year. In accordance with the By Law amendment made in 2017, the 2021 Annual Meeting will be held on **Saturday, April 24, 2021** at 9:00 am. There will be a hard stop at 12 Noon. As this is a new format, the OSPOA Board will be determining how owner questions and voting will be handled.

While the agenda has not been finalized, the likely topics are:

- Recap of all OSPOA operations since the last meeting
- Financial Reports for 2019 and 2020
- Budget approval for 2021
- Roads Project Update
- Stormwater Advisory Board Update

- Election of Owner Representatives

Technical details for accessing the meeting are still being ironed out but, preliminarily, it appears that Zoom will be utilized. You should receive mail in early April with the agenda, financial packet, and the access instructions.
